Mr. MICHAUD. Mr. Speaker, I rise today to recognize Shanna Rogers for being awarded the Geneva Kirk Award by the United Way Foundation of Androscoggin.

The Geneva Kirk Award is given annually by United Way of Androscoggin to individuals who have exemplified exceptional volunteerism and service to their community. This award honors the memory of Miss Geneva Kirk who dedicated her life to serving and teaching others, volunteering in a multitude of ways throughout her community.

Shanna was nominated by Androscoggin Head Start not only for her innumerable hours of community service to Head Start, but also for her involvement in many other organizations. Shanna works part time for the Neighborhood Housing League and part time at Marché's Restaurant. In her work with the Neighborhood Housing League, Shanna acts as an advocate for safe and affordable housing and as a mentor for tenants in the downtown area.

Her tireless work with Androscoggin Head Start and Child Care, the Neighborhood Housing League, the Women's Wisdom Center and the Visible Community demonstrates a commitment to her neighbors that would have made Geneva proud.

I am extremely honored to congratulate Shanna Rogers for receiving the Geneva Kirk Award.

Mr. Speaker, please join me again in recognizing Shanna Rogers for her hard work within her community.

## PERSONAL EXPLANATION

**HON. TIMOTHY V. JOHNSON**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 12, 2011*

Mr. JOHNSON of Illinois. Mr. Speaker, on Monday July 11, 2011, due to inclement weather in Chicago, Illinois, I was unable to cast my votes for Roll Nos. 534, 535, 536, 537, and 538. I was originally booked on United flight 5347 from Springfield at 1:15 (CST), connecting to United flight 704 leaving O'Hare at 3:00 p.m. and arriving in DCA at 5:49 (EST). I was also backed up on American Airlines flight 3879 departing Chicago O'Hare at 3:00 p.m. However, I could not make either of these flights due to my original flight from Springfield being delayed until 7:00 p.m.

Had I been present, my votes would have been as follows:

For Roll No. 534, to increase funding for the Corps of Engineers construction by \$133.8 million and Operations and Maintenance by \$51 million and reduce funding for Nuclear Energy by \$133.8 million and Fossil Energy Research and Development by \$92.8 million, I would have voted "nay."

For Roll No. 535, which reduces the Missouri River Fish and Wildlife project by \$1.75 million and increases Operations and Maintenance by \$1 million for levee repair, I would

have voted "yea." In light of the recent problems with flooding along the Mississippi, this transfer appears to be prudent.

For Roll No. 536, which transfer \$6.3 million from supervision and general administrative expenses in the headquarters of the Corps of Engineers to Corps of Engineers, Operation and Maintenance for dredging of waterways, I would have voted "yea." As with Roll No. 535, recent flooding problems make this transfer prudent.

For Roll No. 537, which transfers \$4.9 million from Operation and Maintenance for global warming to the Spending Reduction Account, I would have voted "yea." I have voted to cut spending in a host of programs including those with which I am sympathetic.

For Roll No. 538, which transfers \$3.25 billion from various research and development accounts and regional economic development commissions to the Spending Reduction Account, I would have voted "yea." I have voted to cut spending in a host of programs including those with which I am sympathetic.

TRIBUTE TO GEORGE E.  
SHINHOSER ON HIS RETIREMENT

**HON. DONALD M. PAYNE**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 12, 2011*

Mr. PAYNE. Mr. Speaker, I ask my colleagues here in the House of Representatives to join me as I rise to pay tribute to the wonderful accomplishments of George E. Shinhoser as he retires from the YMCA of Newark and Vicinity. It is indeed a pleasure for me to add my congratulations to that of his family, friends and colleagues of the YMCA of Newark and Vicinity as they celebrate in honor of a man who has been a Y professional for 42 years. George Shinhoser's retirement caps a career that saw him lead YMCA's in multiple states, with his last five years in the great State of New Jersey. For all the contributions he has made over the years, Mr. Shinhoser deserves to be feted on this marvelous albeit melancholy occasion.

The YMCA of Newark and Vicinity was fortunate to have the wise counsel of Mr. Shinhoser who came to serve on an interim basis but chose to stay for an extended period. During his tenure, he was able to accomplish multiple goals including a positive financial bottom line. Rarely has an individual been such an integral part of an organization where strength, integrity and determination have been the driving forces of the outcomes. Clearly, George Shinhoser could have taken his talents elsewhere but the Y is extremely grateful that he chose to follow in the footsteps of the Rev. Dr. Martin Luther King whom he credits with much of his accomplishments. In fact, George Shinhoser worked with Dr. King during the 1960's and participated in many of the civil rights initiatives occurring during that time period.

Based on George's background, it is no wonder that he chose to serve and he has served well. As a strong supporter of the YMCA and its programs for youth, it has been my personal honor to work with George Shinhoser and to encourage his efforts. These efforts have led to some dynamic improvements and image boosting for the YMCA

of Newark and Vicinity. His sphere of influence in the community and the synergy he helped to create through the Y will always be remembered by the many employees, program participants and residents of the Greater Newark area.

Mr. Speaker, I know my fellow members of the House of Representatives agree that George Shinhoser has been a part of the fabric of the Y and that his departure will leave a void that will not easily be filled. We wish him well in this new phase of his life.

TRIBUTE TO ORANGE BEACH FIRE  
CHIEF FORNEY HOWARD

**HON. JO BONNER**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 12, 2011*

Mr. BONNER. Mr. Speaker, I rise to honor an Alabamian who for more than four decades has stood watch over our communities and our homes, keeping us safe and risking his own life to protect many who were at the mercy of a fire, an accident or an unforeseen force of nature. On August 1, 2011, after forty-plus years on the job, Orange Beach Fire Chief Forney Howard will officially retire from public service.

Chief Howard began his career in 1970 when he joined the City of Birmingham Fire Department. During his tenure in Alabama's largest city, Forney served in the Birmingham Fire Training Division for five years as Captain and as Chief of Training.

During this period, over 500 firefighter recruits were trained and graduated from the Training Bureau. He had the privilege of being part of the first Paramedic Class in the State of Alabama during the summer of 1973. Chief Howard also served on the Birmingham's first Hazmat Unit. At his retirement from the Birmingham Fire Department, Chief Howard was Battalion Chief for the eastern district of that city.

In April 2004, Forney Howard was appointed interim Fire Chief for the City of Orange Beach, and the following month the Mayor and City Council made the appointment permanent. His experience and abilities were put to the test early in his tenure when Hurricane Ivan made a direct hit on the Gulf Coast in September of that same year.

Under his tenure with the City of Orange Beach, Chief Howard has lead the Fire Department and their Emergency Management services through several tropical occurrences, fires and the 2010 BP oil spill. Less than two months prior to his retirement, Chief Howard directed the Orange Beach Fire and Rescue response effort that successfully battled a significant wildfire at Gulf State Park.

In 2003, Chief Howard was recognized as Firefighter of the Year in Orange Beach, Emergency Technician of the Year for Birmingham in 1975, and has been a past member and past President of the Alabama Association of Fire Chiefs. Chief Howard served on the Board of Trustees for South Baldwin Medical Center and is currently on the Board of Trustees for Columbia Southern University, where he also obtained a Bachelor's Degree in Fire Science.

A fighter who not only saved lives but is also a cancer survivor himself, Chief Howard

recently told the Baldwin Register newspaper that he always enjoyed his work. "People's worst days are our best days. That's when we get to do something and help people. We don't want anybody's house to burn, but we know what to do. We don't want anybody to get sick and have chest pains, but we know how to help you."

On behalf of the people of South Alabama, I wish to extend heartfelt congratulations to Chief Howard for a job well done. As he prepares to pass the reins of leadership, I wish all the best to him, his lovely wife of 45 years, Joyce, and their two children and five grandchildren.

#### HONORING DENNIS SISTO OF NAPA COUNTY, CALIFORNIA

##### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 12, 2011*

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize Dennis Sisto on the occasion of his retirement as President and Chief Executive Officer of Queen of the Valley Medical Center in Napa County, California. Dennis' leadership will be truly missed by his colleagues, health care providers throughout the Napa Valley, and all of us in the community who have received superlative medical care from Queen of the Valley during his tenure.

Mr. Sisto has worked for the St. Joseph Health System for 24 years, the past 13 at Queen of the Valley. During his tenure, Mr. Sisto has served as a champion for the health and quality of life of the Napa Valley community. To respond to the needs of the underserved, he has guided Queen of the Valley through the creation of new healthcare services for persons with HIV/AIDS, cancer and congestive heart failure directed at individuals without health insurance or the ability to pay. His leadership has ushered in an unprecedented era of technological growth for healthcare services in the Valley, bringing such advancements as the robotic surgical system, a state-of-the-art linear accelerator for the treatment of cancer patients, an imaging center housing the world's finest diagnostic imaging equipment and a new Outpatient Surgery and Procedure Center.

To focus on improving community health and address higher than anticipated Napa County mortality rates for heart disease, cancer, stroke and diabetes, Mr. Sisto has led the development process for the Queen of the Valley Medical Center's state of the art Wellness Center. The Wellness Center offers specialized programs directed at persons who need professional supervision to manage high health risks and chronic diseases. The creation of the Wellness Center represents a significant step forward for hospitals, allowing Queen of the Valley to expand its focus beyond acute care and offer preventive services as well as health maintenance programs.

Running a medical center in today's world can be a thankless and complex endeavor. It takes great integrity, a steady hand and a strong sense of humor to handle all of the challenges that present themselves to our hospital administrators. Mr. Sisto has all of these qualities in spades. He has been an in-

valuable partner in the process as we implement the Affordable Care Act on the local level.

Mr. Speaker, it is my distinct pleasure to recognize Dennis Sisto for his many years of service to Napa and to thank him for his contributions to wellness and health care in our community. I join his wife, Judy, his entire family and our colleagues in wishing him the best as he enters this new phase of his life.

#### RECOGNIZING POLAND'S PRESIDENCY OF THE COUNCIL OF THE EUROPEAN UNION

##### HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 12, 2011*

Mr. QUIGLEY. Mr. Speaker, I rise today on behalf of more than 110,000 of my constituents who are of Polish descent. It is my privilege to recognize Poland's upcoming role as the governing body of the Presidency of the Council of the European Union. Poland is a strong democratic ally of the United States with diplomatic relations extending over 100 years.

Last summer I had the privilege to travel to Poland and represent the United States Congress in Krakow for the Community of Democracies conference. Over 70 ambassadors from democratic and currently democratizing countries around the world attended the 10th annual conference to discuss the future of democracy, and to celebrate the progress democracy has made so far. The trip was an important moment in solidifying the already strong diplomatic relations between the United States and Poland and displayed Poland's ardent commitment to furthering democratic ideals throughout the world.

While in Poland, I was fortunate to witness democracy first hand as the nation held a special presidential election after the death of Polish President Lech Kaczyński. President Kaczyński and 95 others tragically died in a plane crash over Smolensk, Russia more than a year ago. During my trip to Krakow, I visited the Wawel Cathedral and had the opportunity to lay a wreath at the grave of President Kaczyński. I was truly humbled to experience the incredible sense of community and togetherness among the Polish people. I was also honored to deliver a flag and resolution from Speaker NANCY PELOSI on behalf of the House of Representatives to Foreign Minister Radoslaw Sikorski expressing sympathy for Poland's tragic loss. The people of the United States stand in admiration of the strength of Poland's democratic institutions, which have persevered through three centuries filled with many hardships.

Poland's leadership at the Presidency of the European Union not only displays Poland's influence in the world's largest economy, but shows the growing respect the Nation receives as a growing voice within the global community. During its presidency, Poland hopes to successfully lead the European Union toward economic growth and an enhanced political community. Poland has set forth a "Six-Month Program" that will focus on three fundamental priorities it plans to achieve during their tenure. The first priority is to increase integration with the European Union. Poland believes that

it is essential to create an internally competitive Europe and to develop a single European market within the European Union. Additionally, Poland hopes to improve the security of the European Union primarily through an increase in economic macro-security and through the development of an external energy policy. Poland also believes that the European Union will significantly benefit from economic openness. The Presidency will fully support any European Union enlargement, as well as continued participation in the World Trade Organization.

Finally, I would like to remind my colleagues in Congress to keep in mind Poland's inclusion in the Visa Waiver Program, supported by President Obama. With Poland's strong diplomatic ties to the United States, and their growing influence in the European Union and the global community, it is important to finally include Poland in visa-free travel to the United States. It will promote increased relations with a democratic ally of the United States, as well as further encourage economic and cultural exchange between our two nations.

Mr. Speaker, I am honored to recognize Poland as the upcoming governing body of the Presidency of the Council of the European Union. Poland is a democratic ally of the United States whose diplomatic relations will only strengthen as time goes on. I have seen first-hand their commitment to democracy and their importance as an ally.

#### REAFFIRMING COMMITMENT TO NEGOTIATED SETTLEMENT OF ISRAELI-PALESTINIAN CONFLICT

SPEECH OF

##### HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 6, 2011*

Mr. MARKEY. Madam Speaker, I rise to express my support for House Resolution 268, which reaffirms the United States' long-standing policy of support for Israel and a fair, negotiated conclusion to the ongoing Israeli-Palestinian conflict. This resolution clearly describes the final outcome that the United States has envisioned for so long: two democratic states—one Israeli, one Palestinian—living side-by-side in peace, security, and mutual recognition.

Attempts by the Palestinians to circumvent direct negotiations between the two nations, most recently through attempts to hold a U.N. vote on Palestinian statehood, have greatly undermined the peace process. The United States must continue to oppose such one-sided attempts and work to ensure that the final peace settlement is reached through fair negotiations between the Israelis and the Palestinians.

The resolution also confirms the United States' refusal to recognize any Palestinian government that has not publicly and formally renounced terrorism. This declaration is especially important in the wake of the recent union of the Fatah and Hamas factions, the latter of which the United States and the European Union deem a terrorist organization. Peace talks cannot continue until Palestinian leaders dismantle all terrorist infrastructure embodied within Hamas, take all necessary steps to counter incitements to violence, and accept
